Maps are for trip planning purposes only and should not be used for navigation. Also, use of these maps for commercial purposes is not authorized. Maps were created with a GIS based program TOPO! (www.nationalgeographic.com/topo) by SWCA, Inc. using "heads-up digitizing" (trail information from various sources that is not truth checked with GPS on the ground). We welcome corrections or comments about this trail by email: Trails@SEAtrails.org
