Dear Davey:

On behalf of the board of directors of the Sitka Convention and Visitors Bureau, I am writing today to endorse the Southeast Alaska Trail System (SEATrails).

As the destination marketing organization for the community of Sitka, Alaska, I believe the implementation of a region-wide, Southeast Alaska trail system, will greatly enhance Southeast Alaska's ability to sell the region as a visitor destination. With the increasing popularity of eco-tourism, this will certainly add to Alaska's popularity as a vacation destination for independent travelers interested in outdoor adventure experiences.

Please do not hesitate to let us know what we can do to help facilitate this project, Davey.

Regards,

Michelle Blackwell
